STEPHY RIEGA ESCALANTE

sriega@uchicago.edu | Chicago, IL / Lima, Peru

EDUCATION

The University of Chicago — Chicago, IL
Real Analysis I, completed with academic distinction — 2026
Price Theory I, in progress

Pontifical Catholic University of Peru (PUCP) — Lima, Peru
Diploma of Specialization in Data Science for Social Sciences and Public Policy — 2023
BA in Economics, First Class Honours — 2022

RESEARCH EXPERIENCE

University of Chicago Crime Lab and Education Lab — Chicago, IL
Research Analyst — November 2023 – Present

- **Policing Leadership Academy (PLA)** – Multi-site RCT evaluating commander-level leadership training in U.S. police departments. With Prof. Max Kapustin and Dr. Kailey White.
  - Lead randomization, data analysis and impact analysis of World Management Survey (WMS) testing whether leadership training improves managerial practice.
  - Estimated the reliability of double-scored WMS interviews (intraclass correlations, weighted kappas, variance decomposition across interviews and scorers) to quantify measurement-error attenuation.
  - Built and harmonized a national dataset integrating FBI and ACS data for compliance tracking and eligibility screening.
- **Personalized Learning Initiative (PLI)** – Large-scale multi-site RCTs evaluating high-dosage tutoring interventions in U.S. public schools. With Prof. Jens Ludwig and Dr. Fatemeh Momeni.
  - Contributed to experimental design, data analysis and causal impact estimation across multiple districts. Led analysis for the Miami-Dade site across years.
  - Identified and corrected a logic bug in the core modeling function affecting clustered standard errors. Developed and implemented multi-way clustering for treatment effect estimation across sites.
  - Conducted robustness and specification diagnostics for validation, including alternative clustering levels, reduced sample definitions, missing-data specifications, and falsification and predictive tests.

Group for the Analysis of Development (GRADE) — Lima, Peru
Research Assistant; Research Intern — Apr 2023 – Oct 2023; Feb 2021 – Jul 2021

- Contributed to the design and pre-analysis plan of a remote math tutoring RCT in 60 schools in Ayacucho, published as Leon, Endo, Zoido and Suarez (2026). With Prof. Juan Leon.
- Co-developed and validated survey instruments measuring academic beliefs and performance.
- Constructed panel datasets and estimated event-study models analyzing fertility trends in Peru using ENDES (1996–2020).
- Contributed to impact evaluation research on labor formalization interventions targeting micro-entrepreneurs in Brazil. With Prof. Martin Valdivia.

Innovations for Poverty Action (IPA) — Lima, Peru
Research Analyst; Research Intern — Nov 2021 – Mar 2023; Aug 2021 – Oct 2021

- Contributed to the design, pre-analysis plan development, and data collection of RCTs evaluating social-emotional learning, growth mindset tutoring, and intimate partner violence interventions in El Salvador, Nicaragua, and Peru.
- Presented empirical findings to government and non-profit partners. Supervised field implementation and treatment monitoring.
- Developed WhatsApp-based survey and monitoring systems using Twilio and Google APIs.
